Mears' Meanderings

Summer has a way of slowing us down. The long days, the warmth of the sun, the scent of fresh-cut grass, and the sounds of children laughing in backyards all seem to invite us to pause and savor the beauty around us. June, in particular, feels like a gift, filled with new life, open skies, and the chance to step outside and breathe a little deeper.

As your pastor, I find that summer often reminds us of the goodness of God's creation. Psalm 19:1 says, "The heavens declare the glory of God; the skies proclaim the work of his hands." Whether you're watching a sunset, tending a garden, or enjoying a walk with someone you love, these moments are more than just pleasant they are holy. They are invitations to notice God's handiwork and give thanks.

But summer is also a season for growth. Just as the earth bursts with life, it's a good time to ask: how am I growing? Where is God calling me to slow down, to listen, to be refreshed? As vacations begin and routines shift, I encourage you to intentionally carve out time to rest; not just physically, but spiritually. Pick up a devotional. Take time in prayer. Sit with Scripture on the porch or by the lake. Let God nourish your soul as the sun nourishes the earth.

Summer also gives us unique opportunities to connect with others. Whether it's through a backyard BBQ, a church picnic, or serving together in a local outreach, these moments can strengthen our relationships and expand our sense of community. Let's not miss the chance to be present with each other. Use this time to encourage, to laugh, and to grow together in faith.

As we enter this beautiful season, my prayer is that each of us finds moments to experience God's peace, beauty, and presence in fresh ways. Let this be a season of joy, renewal, and faithful rest in the One who makes all things new.

Your brother in Christ,
Rev L Alan Mears

METHODIST WOMEN'S FELLOWSHIP

The Methodist Women's Fellowship will meet on Thursday June 5, 2025 in the church office. Fellowship at 9:30 with the meeting following at 10:00. All ladies of the church are invited.

What a Spring Luncheon we enjoyed on May 3, 2025! Good food, good fellowship and an outstanding program. Marsha Hancock is an expert on all stages of the butterfly. Leading us from that tiny "worm" to the beautiful butterfly. She loves all of these wonderful creatures but the Monarch is definitely the favorite. The only thing missing was YOU. I hope you can attend next year.

Our Red Cross Blood Mobile was held on Monday, May 12, 2025. We collected 25 units. Thank you for your participation.

The Back Pack Ministry is slowing down for the summer months. We will begin collecting again next fall. Back Pack provides for Parkwood Middle School. Don't forget us over the summer. Watch for those BOGO specials. Please join us to provide for those who are in need.

A reminder, we sell the best knives in the world along with flavoring. These things help us support our Mission Projects. Any time is tomato season....try our tomato slicer. Best in the world. Honest!

Thank you for your support.

High School Lunch/Dinner

All 9th-12th graders are invited to come out one time a month for a lunch/dinner outing as a group. We meet at church at and head to our location together. All locations and times are put out during our normal Youth meetings. Plan to bring money for your food, drink and tip. This is a great time to get together as like-minded young people to fellowship and share around the table.

Open Gym- Wednesdays,

June 4th, 11th & 25th from 6-8 PM

Join us on Wednesday night for an open gym. This is a time where we simply play games and fellowship with one another. During this time, we play an organized game for half of the time (volleyball, kickball, dodgeball, etc.) and the remaining time is your choice. This is a great opportunity to invite a friend to come check us out! This is open to ALL 6th-12th graders.

Sunday Night Youth Group- Sunday,

June 8th & 22nd from 6-8pm

Join us Sunday nights from 6-8pm in the FLC for a time of Bible study/lessons, games and fellowship. This is a good time to get challenged and uplifted in your walk with God. This is open to ALL 6th-12th graders.

WELLNESS CIRCLE

For the past two years our wellness ministry has worked on growing our support ministry for those suffering a cancer diagnosis. Our original intension was to offer a support group to those with this diagnosis, as well as to their families and caregivers. We wanted to give them a place to seek support and express their emotions as they walked through the ups and downs of cancer treatment. At times over the months that passed we saw our numbers grow, then shrink, grow again, only to shrink. Though this is often the case with support groups and ministries in general, I began to wonder and pray, if there was a better way to offer the support that is so readily available in our church community. This led me to begin to ask questions about what cancer patients really want and need. Some of the answers I got surprised me.

First, I discovered that often those in treatment feel so tired during the treatment process that they do not have the energy to attend a formal support group. I also learned that family members and caregivers often don't want to leave their loved one to attend a group, as they are busy with caregiving activities and chores of daily living. Some even expressed to me that they were simply tired of talking about cancer and wanted to talk about anything else, while others shared that they just didn't want to see anyone. Many said they felt they were getting great support from their doctors and the health providers, and didn't need additional support beyond prayer. Finally, for many privacy is very important. Some do not feel the need to open up to the church about their diagnosis and treatment outcomes, so attending a group feels far too public. After reflecting on these answers, I began to think if there may be a better way to offer the support they need, while considering all these factors.

Given all these considerations, I plan to take some time to consider with Alan, the direction of cancer support in our church. Through prayer, and exploration, I believe we can create a program for support that is broader and more encompassing than what we are currently doing. One possibility I am exploring is expanding the reach of this ministry to anyone who may have received scary health news or diagnosis, not just cancer. In the upcoming weeks I would like to hear your ideas and may even be asking if you would be willing to serve on a team to offer this support. It may be cards, notes, meals, errands, visits, calls, etc., or anything else that would let folks know they are not walking through their health issues alone. Our church is already wonderful in this ministry, and many of you already go far above and beyond to be sure folks are cared for and reminded of our love and prayers for them. This would just be another opportunity to communicate this message. I ask for your prayers as we move forward together to be the hands and feet of Christ, and I will keep you updated on final decisions as they are made.

As always if you or someone you know is struggling with a mental health issue, or needs emotional support, please contact our church office, and I will make a time for us to talk. Remember, support is all around us, just reach out and let someone know you are in need.

Blessing

Wreaths across America Event for December 2025

For the past several years Pack & Troop 18 have attended the Wreaths Across America wreath laying ceremony in Waxhaw. In 2025, members of the church and scouts would like to start sponsoring a Wreaths Across America event at our own church. The wreaths are placed at the Veterans' graves in mid-December (when the ceremony takes place) and removed by late January. The cost of a wreath, if the cemetery is registered, is \$17 a piece including shipping. If the location isn't registered, it's \$22 plus shipping costs. We're working on getting our cemetery registered before placing the order later this year.

We would like to give family members the first opportunity to sponsor a wreath for their loved ones, but any donations in honor of our Veterans are welcome. As part of the Arrow of Light Award (for 5th grade Cub Scouts before bridging into Scouts,) the entire Den must perform a service project. It's presently in discussion, so if it works out, they'll be the group constructing a small holder for the wreath to stand on in front of the veterans' gravesites. Scouts in general perform all manner of service projects every year and this can serve as part of those service hours for Scouts in both the Pack and Troop.

If you are interested in further details, please contact Stephanie Okada or John Mohor.

More details will follow in future Pipelines.

Listed are the known Veterans currently identified in our church cemetery. Next time, I'll add additional details. If anyone isn't on the list, please let us know so we can add them (details of their branch of service, if not specified on the gravesite, respectfully requested). Two Veterans were Civil War Veterans.

Mission Committee Common Heart Food Drive

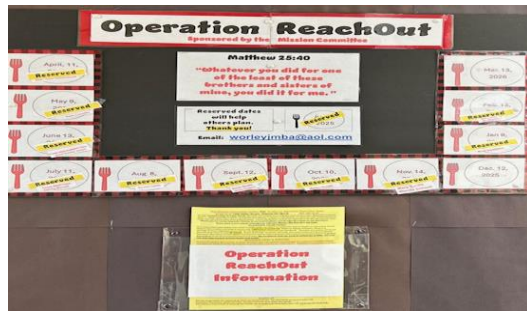

Our next **Common Heart Food Drive** will be on **Tuesday, June 10 from 8:00- 12:00** noon. For the last 4 years, Mineral Springs volunteers and others from Waxhaw's Amazing Grace Lutheran Church have been gathering at the picnic shelter to work the parking lots, sort the food provided by Second Harvest Food Bank, and share with the vented participants. We would love to have you join us in this opportunity to help the less fortunate. Mark your calendar and contact **John Worley** at worleyjmba@aol.com

Operation ReachOut Update

We want to thank all the teams that have reserved a date to serve at Operation ReachOut on the 2nd Friday of April, 2025 -March, 2026 between 11:30-1:30. This 2025 Mission Project had a successful kick-off on April 11 with a team from The Gathering, an adult Sunday School Class, represented here by Beth Vandenabeele and Diane White.

All serving team members need to check the bulletin boards in either the FLC lobby or the Sanctuary breezeway to pick up an updated guideline that is on **yellow paper**. No longer use the one on white paper. This yellow sheet has helpful information including **preparing for 50 rather than 40** and **having 3 servers instead of 2**.

There are only two months, **December and March**, that still need to be reserved. So, it's not too late to participate in this worthy service opportunity. All you need to do is contact **John Worley** at worleyjmba@aol.com.

New Sermon Series starting in June!

In a world that seems to shift with every headline and upheaval, the call to remain faithful to God often feels like walking through a storm without a compass. Yet, the Bible is filled with stories of people who clung to God in the most uncertain of times by restoring hope, rebuilding purpose, and renewing trust in God's promises. As we reflect on the lives of Ezra, Nehemiah, Esther, and Job, we find not only inspiration, but a blueprint for what it means to live with faithfulness today.

Faithfulness in uncertain times is not passive, it's active, bold, and grounded in hope. Whether we are rebuilding what's been lost, facing pushback for doing what is right, stepping into risk for the good of others, or simply holding on in the middle of hardship, we are not alone. God's faithfulness carries us, and His Spirit strengthens us to be faithful in return.

In this series beginning in June we will be looking to become a people who respond to uncertainty not with fear, but with unwavering faith in a God who is always at work restoring, rebuilding, and redeeming.

Can't wait to dive in to this series.
