Mears' Meanderings

This last week, I was talking with someone about a great way to understand. What we ought to be doing as disciples of Jesus Christ when it comes to the church. They called it Worship plus 2!

Worship Plus 2: Where You Sit, Serve, and Grow
Live for Jesus. Grow Disciples. Change Lives.

At Mineral Springs we believe faith isn't just something you watch—it's something you live. That's why I like this simple but powerful idea: Worship + 2.

This approach helps every believer grow deeper in their walk with Christ and make a real impact in the lives of others. It focuses on three key commitments: Where you sit. Where you serve. Where you grow.

1. Where You Sit – Worship Together

This is where it starts. Every week, we gather to worship Jesus together. Sitting in worship isn't about filling a seat it's about showing up with your whole heart. It's where we anchor our lives in truth, lift our eyes to heaven, and declare together that Jesus is Lord.

When you show up consistently to worship, you're choosing to live for Jesus. You're declaring that He comes first. Worship grounds us. It reminds us who we are and whose we are.

Worship isn't optional—it's essential.

2. Where You Serve – Be the Church

The church is more than a building. It's a body—and every part matters. Serving is how we live out the mission of Jesus. Whether you greet at the door, teach kids, lead a group, sing, pray, or set up chairs—you're making a difference.

Serving isn't just about meeting needs. It's about shaping hearts—yours included.

When you find your place to serve, you start to grow disciples. You build relationships. You share your gifts. And you reflect the servant heart of Christ.

Jesus came to serve. We follow His lead.

3. Where You Grow – Connect and Commit

Growth happens in circles, not just rows. That's why we challenge everyone to get into a group or class where they can study the Bible, ask questions, and grow with others.

This is where the real change happens—in community. In the middle of real conversations. In the ups and downs of life, when we learn to pray for each other, forgive each other, and encourage each other.

Continued next page

Mears Meandering Continued

Growth isn't automatic it's intentional. It takes time, honesty, and commitment. But when we grow in Christ, we start to change lives ours and others.

Discipleship is a journey, and no one walks it alone.

A great Scripture to anchor Worship + 2 is Romans 12:1–2 (NIV):

"Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship.

Do not conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."

Why this fits:

"Offer your bodies as a living sacrifice" speaks directly to where you serve.

"This is your true and proper worship" ties into where you sit our weekly commitment to honor Jesus together.

"Be transformed by the renewing of your mind" reflects where you grow spiritual maturity through learning and community.

It captures the heart of Worship + 2: full-life discipleship, not just attendance.

So what's next for you?

Ask yourself:

- Am I showing up to worship consistently?
- Where can I serve to make a difference?
- Where am I growing with others?

Worship + 2 It's a lifestyle. It's how we live for Jesus, grow disciples, and change lives—together.

Let's not just go to church. Let's be the church.

It starts where you sit. Grows where you serve. And transforms where you grow.

Ready to take your next step? Let's go.

Loneliness is a pervasive issue affecting millions of people worldwide, regardless of age, gender, or background. In today's fast-paced and digitally connected world, it may be hard to believe that loneliness is on the rise. However, the truth is that despite the prevalence of social media and technology connecting our entire world, many individuals still struggle to form meaningful connections and feel a sense of belonging. This is where a church community can play a crucial role in addressing the loneliness epidemic.

Churches have long served as places of solace, support, and community for individuals seeking spiritual guidance and companionship. In the face of the loneliness epidemic, churches can leverage their resources and values to create a place where individuals can find connection and support. As we at Mineral Springs consider this issue, here are some helpful tips on how we can address loneliness within their communities:

- **Create Opportunities for Connection:** Churches can organize various events and activities that facilitate social interaction and connection among members. This can include social gatherings, community service projects, support groups, and small group discussions. By providing opportunities for individuals to engage with one another in meaningful ways, churches can help combat loneliness and foster a sense of belonging.
- **Provide Support and Resources:** Loneliness can often be exacerbated by underlying issues such as mental health struggles, grief, or life transitions. We can provide support and resources to help individuals navigate these challenges. This can include offering increased counseling services, support groups for specific needs, and referrals to mental health professionals when necessary.

- **Emphasize the Importance of Relationships:** Emphasizing the importance of building and nurturing relationships as a core aspect of spiritual growth is vital. Encouraging members to prioritize relationships and invest in meaningful connections can help combat feelings of loneliness and isolation. This can be done through sermons, workshops, and small group discussions focused on the value of community and connection.
- **Reach Out to Vulnerable Populations:** Some groups are at a higher risk of experiencing loneliness, such as the elderly, individuals with disabilities, or those who are struggling with a health or emotional issue. By extending a helping hand and offering support to those in need, we can make a significant impact in combating loneliness within their communities.

In conclusion, the loneliness epidemic is a complex issue that requires a multifaceted approach to address effectively. What we know is that technology and social media doesn't replace face-to-face connections. As a church, we have a unique opportunity to serve as beacons of hope and connection in a world where loneliness is on the rise. I think we already do many of these things, but there is always room for improvement. I raise this for discussion as loneliness exist all around us but often goes unnoticed. We think because someone seems involved, they are not lonely, and this is simply not always true. We must continue to create opportunities for connection by providing support and resources, emphasizing the importance of relationships, and reaching out to vulnerable populations. Together, we can work towards building a church community where no one feels alone or isolated.

As always if you or someone you know needs emotional support or just to chat, please contact our church office, and I will make a time for us to talk. Remember, support is all around us, just reach out and let someone know you are in need.

Blessing

Mission Committee's September Update

OPERATION REACH-Out† Fish Fry Fundraiser

Thank you to **Mike McGee**, the owner of **Mac's Restaurant** in Monroe and the chairperson of the Advisory Board for Operation ReachOut, who is known for his county wide efforts to make the lives across the communities of Union County better. On July 29, he opened his restaurant on a night that it would usually be closed to offer a fund raising opportunity for Operation ReachOut. With the support of his customers and local churches, including a great representation from Mineral Springs Methodist Church, **425 in-house meals and 100 take-out meals were served.** The Operation ReachOut goal was to apply the profit toward the roof replacement needed on the thrift store, Finders Keepers, that benefits the budget of Operation ReachOut. As a result of this fundraiser, the \$30,000 roof repairs will be made with reserve funds to be used for additional needs.

Thank you, Mineral Springs Methodist Church, for continuing to support this outreach that originated in a building on your campus with Modene Howie in 1987.

August OPERATION REACH-Out† Meal

Members of the **Cindy Wooten family and friends** prepared a chicken pot pie meal with salad, roll, cookie and tea to 49 recipients on August 8, 2025. Kendra Crowder, Michelle Owen, Sarah Crowder and Kali Crowder are enjoying their time serving up the plates at the center.

Mandy Brooks and Janice Gregory will be serving the next meal on **Friday, September 12.**

Fixing It for Christ in the N.C. Mountains

On August 13-16, another MSMC team made up of Susan Fowler, Greg McDanel, and Patti Bolick joined the Fixing It for Christ teams from our neighboring Waxhaw and Weddington Churches in Marshall, N.C. The restoration of the Marshall American Legion Post began earlier in the year with the goal of its completion on the anniversary of Sept. 27 when Hurricane Helene destroyed their town. John & Margaret Worley dropped by on Aug. 14th to find the teams working hard, making a difference in the lives of this community, and enjoying new friends. Announcements will be made if additional workdays are planned for Sept in Marshall or future Fixing It for Christ projects in Union County.

Wreaths across America Event for December 2025

For 2025, we are all set up with Wreaths Across America to sponsor Veteran Wreaths. After a nationwide ceremony customized a little to our local cemetery, wreaths are placed at the Veterans' graves on

December 13th at 11:00 am EST and everyone is welcome to sponsor, volunteer and attend.

Once we have the full itinerary completed we will share it with everyone. We will also have a wreath removal date during January, and we are still ironing out those details currently and will share with everyone later.

<https://wreathsasscrossamerica.org/pages/186626/Overview/?relatedId=150000>

Above is the direct link to our website where you can sponsor our veterans who have been laid to rest within our cemetery here at Mineral Springs Cemetery. You can also search for us on the Wreaths Across America website and search specifically by locations. Our cemetery is listed under North Carolina Mineral Springs Methodist Church (NCMSMC) where you can confirm it by our address.

We are aiming to cover the cost of the 28 veterans who are listed on the next page. If any additional family members have Veterans in our cemetery or if you have one buried in a local cemetery that doesn't participate in Wreaths Across America, please identify those Veterans therefore we can order additional wreaths via our website.

If you would like to donate money towards a veteran in general or in honor of one buried somewhere else, please provide their name and a little synopses regarding your loved one and their branch of service.

If you would like to give a cash donation or write a check to the church please include WAA in the memo but the preferred way to pay is through the official Wreaths Across America website, which will allow corporate matching. Instructions for these additional funds can be found on the official website.

As of now we have 29 total veterans who have been identified locally with a few more pending.
