From the Pastor's Desk

We all go through periods in which a particular longing goes unfulfilled. We naturally turn to the Lord in prayer, even asking friends to petition Him to do what we are powerless to do. As the weeks turn into months—in some cases years—the waiting can leave us discouraged and disappointed. One of my friends likes to quote Proverbs 13:12 which says, “Hope deferred makes the heart sick, but a longing fulfilled is a tree of life.” There is wisdom in this proverb. The delay can make us lose heart, but the granted request renews our faith.

But what about those hopes that are within our power to satisfy? As we enter a new year, we may hope for a better one than the previous. It is part and parcel of American culture to make a list of New Year’s resolutions that are at a fundamental level meant to help us lay hold of a better life. The resolutions are goals or practices that we can strive for with the possibility of obtaining. And yet regardless of what poll we read, the majority of people quit their resolutions by the end of January. Why is there such a high level of desertion of goals that are within our power to obtain? What does this say about those longings that are within our reach?

In the above cases, the hope deferred does not make our heart sick. Why? Because we procrastinate. We tell ourselves that we will get around to the work of achieving those hopes tomorrow. And then the days turn into weeks that turn into months. We lack guardrails such as deadlines (we must book that flight or there will be no trip) and due dates (presentation must be given next Tuesday). Our heart does not become sick because we still believe that we will get there someday. Perhaps we will. The danger lies in counting on a time that may never come.

Why do we procrastinate? Why do we put off what could be started today? We have a status quo bias. It is an anchor that keeps dragging us back to what we typically do. It takes effort to move the anchor. It is easier to put off the striving. This fact is the reason why we can become our own biggest obstacle.

What can we do? For starters, prayerfully pick one goal and ask for accountability. Second, develop a plan with achievable, progressive steps for getting there. For example, you may want to have a stronger prayer life for 2026. Don’t commit to praying for an hour a day, but rather start with 10 minutes and ask someone to check to see you are doing it. You can always add more time, but the starting amount must not be too much of a stretch. Finally—and this is paradoxically the hardest and easiest step—just do it. Don’t overthink it or postpone it. Even if your start feels unnatural or clumsy, do it anyway. Just get going and keep going. The Chinese Philosopher Lao Tzu once said, “A journey of a thousand miles begins with a single step.” May the Lord guide you to the life He has for you and the steps for getting there.

We also have an informative program every month, good food and fellowship. So, if you want to be a part of a group that is 55 years old or older, come join us on the 4th Sunday of each month unless specified differently. (You will be glad you did!)

Happy New Year!!

I hope you all had a wonderful Christmas with friends and family. This month Spring Kids will start the New Testament. All grade levels will have memory verses to learn.

Our memory verses for this month are:

January 4th "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." John 8:12

January 11th Set your minds on things that are above, not on the things on the things that are on earth. For you have died, and your life is hidden with Christ in God. Colossians 3:2-3

January 18th Jesus said to him, "I am the way, and the truth, and the life. No one comes to the father except through me." John 14:6

January 25th All scripture is breathed out by God and profitable for teaching, for reproof, for correction and for training in the righteousness, that the man of God maybe complete, equipped for every good work. 2 Timothy 3:16-17

I want to Thank all our volunteers. Without you, we would not be able to have Spring Kids and teach these children how to love and grow in Christ. If you would like to volunteer, we would love to have you. Please contact Miranda at 980-721-7162 or email at springkidsmsmc@gmail.com

I believe that is it for this month. I hope you all have a great year. I will leave you with this bible verse for the month.

"For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11

WELLNESS CIRCLE

Embracing New Beginnings

New beginnings are a gift from God. They are an opportunity to grow, renew, and step forward in faith. As we start the new year, I believe God calls us to embrace change with hope and purpose. This can strengthen not only our relationship with God, but our relationship with our brothers and sisters in Christ. I have listed a few ideas that I will be following to prepare me for this new beginning in 2026, and I hope you will find them helpful as well.

1. Root Everything in Prayer: Every new chapter should begin with prayer. Seek God's guidance for the path ahead, asking for wisdom, unity, and courage. Prayer not only centers us but also reminds us that God is the author of all beginnings.

2. Celebrate the Past, Honor the Future:
Acknowledge the blessings and lessons of previous seasons in our church and life, while looking forward with anticipation to what lies ahead. Gratitude for what has been prepares hearts to receive what is coming.

Continued Wellness Circle

3. Encourage Participation: Invite others to share their gifts and ideas. New beginnings thrive when everyone feels included and valued. This builds community and strengthens fellowship in the church. We may not all do things the same way, but there is always room for new ideas.

4. Good Communication: Change and newness can cause feelings of uncertainty. Good communication can help reduce these feelings. Communicating directly with others is important, as is communicating respectfully and in kindness. Every encounter we have leaves an impression on someone. Thinking about how what we want that impression to be can help guide our communication.

5. Focus on Mission: Keep Christ's mission at the center. Whether through worship, outreach, or discipleship, ensure that every ministry and activity of the church reflect our calling to love God and serve others.

New beginnings are not just about change, they are about transformation. With faith, prayer, and unity, we can step boldly into 2026, trusting that God's plans are always good.

Blessings,

Rodney Little, MHDL

Wreaths Across America

The first of many more Wreaths Across America Events held at Mineral Springs Church Cemetery went well. Thank You to everyone that supported the event whether it was volunteer hours, your talents, or your donations in honor of a Veteran or your Veteran buried there. Thank You for your support! We'll continue to take donations year round in support.

For any that weren't present at the event we had nine Wreaths during the ceremony that represented the Army, Navy, Marine Corps, Air Force, Space Force, Coast Guard, US Merchant Marines, POW/ MIA service members, and local First Responders. The Army, Navy, and Marine Corps just celebrated 250 years in 2025 all three of these services were represented by uniformed serving personnel as we're all approaching the celebration of the United States of America this next July. The Arrow of Light Den was instrumental in performing their service project in support of our inaugural event. Both Pack & Troop 18 showed up in force assisting with set up and distribution of Veteran Wreaths. We placed 100 seats out for the ceremony as we counted 94 folks were in attendance. Our Inaugural Guest Speaker was Staff Sergeant Jesse Clontz United States Marine Corps serving at the Recruiting Station here in Monroe presently. Jesse also was a member of Troop 18 where he also earned his Eagle Scout back in 2012. The last item I wanted to mention was that my employer as part of the USG Foundation has annually given local grants. In 2025 I applied for and we received a one time \$5000 grant toward Wreaths Across America and the Mineral Springs Methodist Church Cemetery. This enables us to have a firm footing into the future supporting Wreaths Across America's mission to Remember, Honor, and Teach!

January Mission Committee Updates

Non-Perishable Food Collection

400+ pounds of food were donated by MSMC families. It was sorted and packed by our Youth and carried to Operation ReachOut by volunteers to share with vetted Union County families in need.

Christmas Bureau Angel Tree

MSMC was invited by the Union County Christmas Bureau to provide gifts for 51 children from 17 vetted families. The Mission Committee posted tags, and our church graciously provided the requested gifts or funds to cover the unmet needs. We also met needs of Western Union Elementary School for a few more families.

Our Youth group also spent another Sunday night sorting gifts. This time into the designated area for each of the 17 families.

Volunteers then sorted the gifts into bags for each child within that family and then into family bags.

Family bags were organized, transported to the distribution center & made ready to be picked up by the families. We want to say **THANK YOU** to all those who shopped, donated, put together, sorted, packed and transported these gifts. This event couldn't have been possible without YOU!

Operation OutReach MEAL on Dec. 12, 2025

Greg McDanel, Patti Bolick and John Darsey representing the small group, **The Illuminators**, served fried chicken, potatoes, slaw and dessert bags.

The **Jan 9 meal** will be served by **Christa Lemmonds and the Music Department**.

You or a small group can sign up to host a meal at Operation ReachOut in 2026 on a 2nd Friday of any month between March 2026 and February 2027 or ask questions by emailing: worleyjmba@aol.com

There are information sheets at the Operation ReachOut displays in the sanctuary breezeway and the FLC lobby.
