From the Pastor's Desk

You may never live. However, you will spend incalculable time planning to live. Without realizing it, you may have concluded that living is dependent on favorable circumstances that you hope for or seek to obtain. You may subconsciously believe you will start living once you can just get that someone special to reciprocate your love, achieve a firm financial footing, or finally recover from a lengthy health setback. The false calculus is simple: you will not live until the conditions for it are present. No one articulated this mindset better than the 17th century-polymath Blaise Pascal, who wrote:

“We never keep to the present. We recall the past; we anticipate the future as if we found it too slow in coming and were trying to hurry it up, or we recall the past as if to stay its too rapid flight. We are so unwise that we wander about in times that do not belong to us, and do not think of the only one that does; so vain that we dream of times that are not and blindly flee the only one that is. The fact is that the present usually hurts. We thrust it out of sight because it distresses us, and if we find it enjoyable, we are sorry to see it slip away. We try to give it the support of the future, and think how we are going to arrange things over which we have no control for a time we can never be sure of reaching.

Let each of us examine his thoughts; he will find them wholly concerned with the past or the future. We almost never think of the present, and if we do think of it, it is only to see what light it throws on our plans for the future. The present is never our end. The past and the present are our means, the future alone our end. Thus we never actually live, but hope to live, and since we are always planning how to be happy, it is inevitable that we should never be so.”

Whether we are going through fortunate or unfortunate circumstances, we are living. Whether we are received or rejected, we are living. Whether we feel the sun on our face or are pelted by rain, we are living. Whether we are joyful or sad, we are living. Whether our plans play out or are thwarted, we are living all the way through. Each moment is a gift even as it slips through our fingers.

Lord, help us to be present where our feet are. Amen.

Keith Lowder
Senior Pastor

A generous person will prosper; whoever refreshes others will be refreshed. Proverbs 11:25

I pray everyone is getting back into the routine of things and has a great school year. I thank all our schoolteachers for what you do, no matter what grade you teach, it's a hard job that does not get enough gratitude. I pray you all have a great school year as well.

Our memory verses for this month are:

September 6th

"God is spirit, and those who worship him must worship in spirit and truth." John 4:24

September 13th

For great is your love toward me; you have delivered me from the depths, from the realm of the dead. Psalm 86:13

September 20th

Give thanks to the Lord, for he is good. His love endures forever. Psalm 136:1

September 27th

No, in all these things we are more than conquerors through him who loved us. Romans 8:37

If you would like to volunteer to teach our amazing Spring Kids, in Nursery, pre-k, k-3 or 4th and 5th graders, please contact the office. Thank you

I hope you all have a great month, and I look forward to seeing you on Sundays. I will end with this prayer.

Dear Lord,

Help us honor you through our work. Give us integrity, excellence, and joy in every assignment. May our work bring Glory to your name. In Jesus name, Amen.

With love and prayers always,

**Walking Together Through Grief:
Mineral Springs Grief Support Group**

Grief is one of the most human experiences we face, yet it often feels like one of the loneliest. Whether the loss is recent or something you've carried quietly for years, grief has a way of reshaping our days, our routines, and even our sense of self. It can come in waves sometimes gentle, sometimes overwhelming, and many people discover that navigating those waves alone is harder than they expected.

At Mineral Springs Methodist, our Grief Support Group offers a place where no one has to carry their sorrow by themselves. This group is open to anyone walking through loss of any kind: the death of a loved one, the end of a relationship, a major life transition, or the loss of stability or health. Grief doesn't follow a schedule, and it doesn't look the same for everyone. That's why having a supportive community matters so deeply.

In our gatherings, we share stories, listen without judgment, and learn healthy ways to cope with the emotional, spiritual, and physical effects of grief. Speaking our experiences aloud especially in a room of people who truly understand can bring relief, clarity, and even unexpected hope. A strong support network reminds us that healing is not something we must accomplish alone. It grows through connection, compassion, and the courage to show up just as we are.

If you or someone you know is seeking comfort, understanding, or simply a place to breathe, we welcome you with open hearts. You don't have to walk this road alone.

Our group meets each month on the fourth Monday evening at 6:30pm. Please contact me through the Church office for more details. Also, if you would prefer to meet privately, we can schedule a time to talk. Support is here waiting for you.

Please reach out.

Blessings,
Rodney Little

Updates from Actionnel on Bayonnais

Though Haiti continues to face deeply challenging times, the community of Bayonnais shows what true resilience looks like. Even amid the uncertainty, life and ministry in Bayonnais continue to move forward. The Class of 2026 graduated 44 students. The new school year began on Aug 3 and Career Day was on Aug 14. The Bethesda Medical Clinic remains open, treating both neighbors and, most recently, gang members. The doctor and dentist have resumed their normal hours. Patient count and revenue were both up in June. The farmers in the Agronomy Program use the land next to the Bethesda Medical Center as well as rent more land to help with the increased cost of food. Rice has been planted and will be harvested between Oct and Nov. Actionnel will be visiting the US in the fall before his visa expires in Dec. Now, being able to renew his visa is uncertain. On Sept 27, he is going to share a short story in both of the services at MSMC. Melissa Hoffmann from Konpayon will have a booth set up to promote his ministry.

Common Heart Food Pantry on August 11

Volunteers from MSMC, Amazing Grace Lutheran Church and other groups who were registered with Common Heart served 162 households which included 596 individuals made up of children, adults and seniors. We are waiting to get confirmation of future events for 2026 from Second Harvest and Common Heart. We appreciate the support that makes this all possible.

Wreaths Across America Update

Our webpage has been updated with new photos of our local church and cemetery. We are actively trying to partner with two additional churches in Mineral Springs to support their efforts in honoring the veterans laid to rest in their cemeteries.

Please mark your calendars for this year's Wreaths Across America ceremony on **December 19th at 10:00 a.m.**

More details will be shared as we get closer to the event.

Below is our direct QR code linking to our website, where you can sponsor a wreath or sign up to volunteer. It has been requested that all wreath sponsorships be submitted through the QR Code.

If you prefer to pay by check, please make it payable to **Troop 18**.

Please note that Wreaths Across America is a **501(c) (3) nonprofit organization**.

Dear Global Methodist Brothers and Sisters,

On behalf of the General Conference Commission (GCC) I want to welcome you to the 2026 General Conference. We are excited that the time is drawing near for the first Global Methodist Church General Conference on the Continent of Africa. We have been working hard since the close of the 2024 General Conference in Costa Rica to prepare for your coming. Our Logistics Team and International Relations have worked to get you here and to prepare the venue, hotels, and flights.

The 2026 General Conference will convene at the Sandton Convention Center with our Opening Worship and Concert of Prayer beginning at 8:45AM on August 30th. Our time together will conclude with the Consecration service at 3:00PM on September 5th.

Our Hospitality Team will meet you at the Airport and direct you to either the Gautrain or the available shuttles. Our Registration Team will register you and provide your nametag. Our Worship Team has worked to provide worship styles and dynamic preaching from around the globe. **We will be called together for each session with DRUMS, and Wednesday night is Africa Night with music, food, and fellowship.**

Our Prayer Team has been praying for you and has created prayer tools for the whole church to pray for you before and during GC2026.

Our Mission Team is creating mission opportunities for you and others to impact parts of Johannesburg for the Kingdom. Our Agenda, Petitions, and Legislative Teams have organized our time together so that you can efficiently do all of your voting, legislative, and plenary work.

Our Pages and Marshals are ready to serve your needs onsite and our Hospitality Team will be available to answer questions and help you.

Please pray for the 2026 General Conference Commission and the hundreds of staff and volunteers who are serving Christ and the Global Methodist Church by serving you. We know that there will be surprises and unforeseen circumstances in an undertaking this large. I ask for your grace and patience as we walk this road together. I thank God for each of you and the part that you will be playing as we come together to worship, elect Bishops, and engage in Holy Conferencing. It has been an honor to lead the 2026 GCC and to work with such an amazing group of leaders from around the world. I look forward to meeting you in person in Johannesburg, South Africa.

Blessings Always,

Rev. Mike Grant

MS PRESCHOOL

We are excited for a new year filled with learning, laughter, and lots of fun!!

Our first day of preschool is Tuesday, Sept 8th. We can't wait to welcome our students back and get this year started!

To help ensure the safety of our children and staff, be aware that car-rider drop off lines will begin forming in the parking lot between the Sanctuary and FLC each morning about 8:50 and will last until 9:15. If you need to come to the CLC for anything during that time, the best way would be from the Potter Rd entrance.

Please avoid trying to cut through the lines as there are staff members and children walking there. Also, be aware that children and their teachers will be walking between the Education Building and FLC or Playground each day for their recess time. Please stop and allow them to cross safely.

Thank you for your cooperation.

As a reminder, the Church's Ministry Safe policies limit movement of unauthorized visitors through the Education Building during preschool hours. We are always working very hard to keep our students safe while they are in our care and we appreciate all that the Church and its members do to help us with that. If you need to access the Education Building during these hours, please come to the Preschool Office door to be let into the building.

We do love having special guests in the classrooms. If you feel led to read a story, share a talent, lead an art or craft activity, please reach out to the preschool office to sign up. You will need to have Ministry Safe background checks done.

As always, we are so thankful for the support and prayers of Mineral Springs Methodist Church. We are grateful to partner with you in helping our children grow in faith and love!

Blessings,
Tammy
